Vicar's Letter.

My dear Friends,

I cannot write more this month than just to commend to your earnest prayer all the work of the Church in general, and particularly that God will guide us in following up the work of the Young People's Week-end.

You will find in this issue the list of prize winners in the Sunday School ; a long one. We are proud of the regular way in which the children attend, and would like to thank the parents for the encouragement they give their children to come each Sunday. Please continue the good work ; for the most important thing in life for us all whether young or old is that we shall learn to know the love of God in Christ.

I would thank, too, in the name of the Council, the Superintendents, and the teachers for all the faithful work of the past years, and would pray that God will bless still further all that they do in His Name.

God bless you all,

Yours very sincerely,

GEORGE RIVERS.
